

THE TWIG

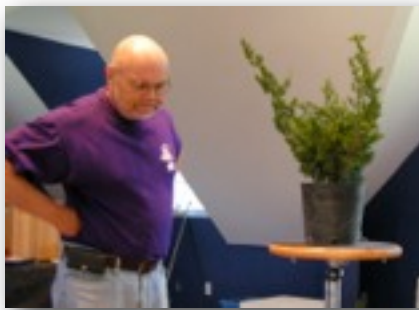

TED MATSON

DEMO AND WS MAY 12

MHBS at pfm bonsai

Ted Matson is returning to us again!! He will be conducting both a workshop with the great Shimpaku Junipers that Bill Jones found for us and a demonstration also using that material. We always learn a ton when we have the pleasure to watch and listen to Ted.

If you have a past workshop or demo tree from earlier Ted visits, please

bring them for the show table so Ted can see how they have progressed. Other bonsai for the show table are also needed. Remember you get a free raffle ticket for each show tree and we will be

raffling off the demo tree. All proceeds from the raffle tree will be contributed to the National Bonsai Foundation's Fund Drive for the new Building project.

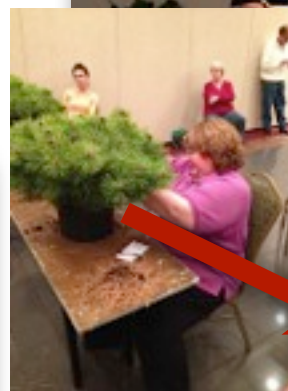

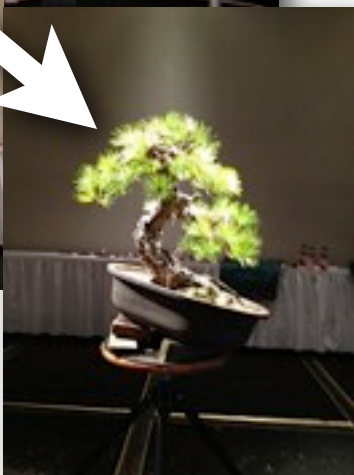

Let's do a pot luck lunch for our guest and the club.

Please bring a dish or dessert to share...remember we do need some real food! We are SOOO good at desserts!

Demo at 11 AM followed by lunch and the workshop. Workshop is filled but silent observers are welcome.

Missed MABS this year? So Sad! Here are some highlights from Alan Tallman

Demos were terrific. Transformations on stage and in workshops were worth the trip! Dave H came home with a demo tree!! More pics to see at the May meeting.

SAVE APRIL 25-27, 2014 FOR THE NEXT GREAT MABS!!!!
